

FHWA Planning Grant Management Workshop

FHWA Resource Center - Financial Services Team
FHWA Office of Planning

May 14-15, 2019
8:30 AM-4:30 PM

UT-Austin Thompson Conference Center (Room 3.102)
2405 Robert Dedman Drive, Austin, TX 78712

Workshop Purpose:

To provide comprehensive instruction and interactive discussions on the Federal-aid Highway Program (FAHP), highway funding, and the Uniform and Programmatic requirements associated with administering FHWA planning grants/projects and work programs.

Recommended Audience:

FHWA, State DOTs, and MPOs that administer FHWA planning grants. This could include personnel from all disciplines including planners, engineers, program/project managers, and financial staff.

Learning Outcomes:

- Identify and explain key terms, concepts, and definitions;
- Understand how FHWA programs are structured and funded;
- Describe the requirements of stewardship and oversight and sub-recipient monitoring;
- Identify FHWA/FTA funding sources used for transportation planning;
- Explain eligible uses of FHWA planning grants;
- Explain State DOT and MPO roles and responsibilities in managing FHWA planning grants;
- Describe how the Uniform Administrative Requirements (2 CFR Part 200) apply to the administration and management of FHWA planning grants (e.g., cost principles, procurement standards, and audits); and
- Apply workshop concepts and principles in classroom discussion and exercises.
