Instructions for a more productive WebEx Meeting

1. Join the webex using the link first.
2. Register and provide your name, email, and organization.
3. After joining the webex, connect your audio using the call-back option.
4. If you choose to dial into the toll-free number, make sure to enter your user ID in order to connect your account with the call-in user.
5. IMPORTANT NOTE: Use of the CALL-BACK option automatically synchronizes your caller ID with your registration name and organization. In order for us to identify you as a remote participant wanting to speak or present before the group and unmute you, it is necessary that webex participants follow these instructions.
