***Instructions for a more productive WebEx Meeting***

1. Join the webex using the link first.
2. Register and provide your name, email, and organization.
3. After joining the webex, connect your audio using the **call-back option**.
4. If you choose to dial into the toll-free number, make sure to enter your user ID in order to connect your account with the call-in user.
5. IMPORTANT NOTE: Use of the **CALL-BACK option** automatically synchronizes your caller ID with your registration name and organization. **In order to identify remote participants who want to speak or present before the group and unmute them, it is necessary to follow these instructions.**
