Instructions for a more productive WebEx Meeting

1. Join the webex using the link first.
2. Register and provide your name, email, and organization.
3. After joining the webex, connect your audio using the **call-back option**.
4. If you choose to dial into the toll-free number, make sure to enter your user ID in order to connect your account with the call-in user.
5. **IMPORTANT NOTE:** Use of the **CALL-BACK option** automatically synchronizes your caller ID with your registration name and organization. **In order to identify remote participants who want to speak or present before the group and unmute them, it is necessary to follow these instructions.**
