

The City of Victoria has an exciting career opportunity for Transportation Planner.

The Transportation Planner serves as the MPO Coordinator and is responsible for a variety of transportation planning activities; these include, but are not limited to, the administration, implementation, reporting and monitoring responsibilities of the Victoria Metropolitan Planning Organization (MPO). Will be responsible for federally-funded MPO activities and other related Federal, State, and local programs. Functions and task include coordination with various City departments and City-assisted agencies; acting as City liaison to Texas Department of Transportation and Federal Highway Administration; and includes long-range comprehensive/ transportation plans; sub-area studies; short-range transportation improvement programs; urban and regional transit planning; annual work programs; and, other pertinent MPO documents, policies, and programs. Performs various travel model activities and reviews results for technical accuracy. Conducts research and analysis of information and adherence to current federal legislation, TxDOT and FHWA requirements. Ensure compliance with Federal and State laws and conformance to acceptable professional standards.
