

Houston-Galveston Area Council

## ***Planners/Senior Planners (Multiple Positions Available)***

---

### Opportunity

Houston-Galveston Area Council (H-GAC) is seeking multiple Planners and Senior Planners to join the Regional Planning team within our Transportation department. Through cooperation with local governments, H-GAC's Transportation Department improves the quality of life for residents across the region.

As a Planner or Senior Planner in the Transportation Department, you will have the opportunity to assist and lead coordination of programs and projects that improve mobility and safety throughout the region. Working with a diverse team, these roles will assist with thoroughfare planning, sub-regional planning, mobility studies, access management studies, and other regional planning efforts.

The major job duties include project development and management, collecting and analyzing data, researching best practices and additional funding opportunities, and responding to inquiries on current projects. Strong project management, effective written communication, and presentation skills are crucial for success in these roles. You must be able to provide professional and timely feedback to a variety of audiences.

What are we looking for in a candidate? We are pursuing individuals who enjoy and are passionate about transportation planning. The Transportation Department is one that demonstrates strong teamwork, an "all hands on deck" attitude and is passionate about doing whatever it takes to improve the quality of life for our citizens. We are looking for candidates who share these same values and are not afraid to think outside of the box, brainstorm and bring new ideas to the table. You must be a person who enjoys researching, reporting and interacting with the community. If this sounds like you then we would love to hear from you!
