Follow-Up Items / Questions

How to add to UPWP? How to access after added to UPWP? Need follow-up discussion.

How many years? One and done? \$50,000 and done? Is the \$50,000 reduced based on funds used by TTI for the Action Plan?

How can MPOs access the MPO CRIS dashboard and receive training? Need a follow-up training/discussion.

If SS4A grant awarded, can another funding source be provided as match for the \$50,000?
