MPO Board Member Training on Congestion Reduction

FREE

5 Self-Paced Video Lessons

Specially Designed by Transportation Research Faculty

CUTR
CENTER FOR URBAN
TRANSPORTATION
RESEARCH

This free training program addresses traffic congestion, congestion reduction, MPO processes and functions, and tips for how MPO Board members can improve their communities.

The video series can be completed alone or MPO staff can use the video/training manual combo to educate their MPO Board members. The facilitator-led training section includes a variety of suggestions for hosting training sessions both in-person and virtually.
